**CanSkate**  
Learn-to-Skate Program

**There is no fundraising requirements for this program**

**CANSKATE**

CanSkate is Skate Canada's flagship learn-to-skate program. CanSkate focuses on fun, participation, and basic skill development. All classes are taught in a group format and are led by an NCCP certified professional coach. Our programs emphasize fun and continuous movement, along with quality fundamental skill learning. Skaters progress at their own pace in a progressive and sequential badge program. Canskate is an excellent starting point for children interested in pursuing Figure Skating, Hockey, Ringette, or have an interest in acquiring basic skating skills. Canskate is a 45 minute on ice group class (6 to 10 Skaters per group). Skaters in the Canskate Program will receive badges for each level.

**Appropriate Dress and Equipment**

For CanSkate we recommend that you purchase a leather lace up skate rather than moulded skates. Please do not purchase the style of skate that has one or two straps instead of laces as they make it difficult to stand straight. **All Can-Skaters are required to wear helmets.** Layered clothing is recommended as bulky snowsuits can hinder movement.

**Equipment does make a difference!**

Recommended stores to purchase and sharpen skates:

**United Cycle**, 7620 Gateway Blvd. NW / 780.433.1181 **Professional Skate Service**, 9212 – 51 Ave / 780.438.9059

**General Program Information**

- Registration is on a first come first serve basis and must be accompanied by full payment with a registration form.
- Payment can be in cash, or cheque.
- Payment plan available for some sessions
- Parents are requested to view lessons from the bleachers or lobby viewing area. Parents are not permitted to view lessons from the players boxes as this disrupts the classes.
- If a registered skater is in any way disruptive during skating lessons, causing other skaters to be held back from a positive learning experience, the coach will discuss the concern with the skater/parent. If the skater's behaviour does not improve, the skater will be asked to withdraw from the class and a partial refund of registration fees will be given.
